Re: Notice of *Ex Parte* for Docket No. 12-268 and WT Docket No. 12-269.

Dear Ms. Dortch

On September 12, 2013, representatives from the Writers Guild of America, West (WGAW) met with David Grimaldi, Chief Counsel and Senior Legal Advisor to Acting Chairwoman Mignon Clyburn, and Sarah Whitesell, Legal Advisor, Media Issues, to discuss policies regarding mobile spectrum holdings and the upcoming incentive auction. Specifically, we discussed:

- The advisability of imposing a cap on spectrum licenses in upcoming incentive auction
- The importance of adequate spectrum aggregation policies for both high-band and, more importantly, low-band spectrum frequencies to enable a more competitive nationwide wireless market;
- That the auction provides an important opportunity to promote a diverse, competitive market, which will incentivize wireless providers to offer affordable data plans for consumers;
- That such a competitive media marketplace in turn allows consumers the best access to diverse online content created by writers.

Attendees included Michael Forscey, Consultant, WGAW, accompanied by Katherine Forscey; John Vezina, Political Director, WGAW; David Grimaldi, Chief Counsel and Senior Legal Advisor to Acting Chairwoman Mignon Clyburn; and Sarah Whitesell, Legal Advisor, Media Issues.

Sincerely,

/s/
